HOST YOUR NEXT EVENT WITH US

Renowned chef, cookbook author and restaurateur Scott Conant introduces an Italian-inspired steakhouse, *Cellaio*, nestled in the picturesque Catskill Mountains. A play on the Italian term for a butcher's pantry, *Cellaio* offers Conant's take on the traditional steakhouse, complementing aged steaks with the antipasti and house made pastas that have become synonymous with his cooking. A bountiful raw bar and assortment of seafood rounds out the menu, accompanied by a robust selection of wines that are visible along with the bustling kitchen through the restaurant's concourse entry wall. A relaxed bar and lounge greets guests upon arrival and leads to a spacious dining room featuring roomy crescent-shaped booths, communal seating and an interactive decanting station. For private events, a pair of intimate dining rooms feature retractable window walls, revealing incomparable views of the surrounding mountains. Whether it's to celebrate a big win or for a weeknight dinner with friends, *Cellaio Steak* is a destination dining experience for upstate New York built on generous hospitality.
